

Enhanced Benefits Program

Oral Health Meets Overall Health with Delta Dental of Illinois

Delta Dental of Illinois' Enhanced Benefits Program integrates medical and dental care – where oral health meets overall health. **This program enhances coverage for individuals who have specific health conditions that can be positively affected by additional oral health care.** Benefits include additional cleanings and/or applications of topical fluoride for all individuals who qualify. Individuals with disabilities may also qualify for additional services such as anesthesia, sedation, silver diamine fluoride and other medications and behavior modifying treatments. The costs of the additional cleanings and fluoride treatments and additional services, if applicable, will be applied to members' annual maximums.
