Help protect your pet from costly vet bills

More than ever, pets play such a huge role in our lives. We want to do everything to keep them safe and healthy. Help make sure your furry family members are protected against unplanned vet expenses for covered accidents or illnesses with MetLife Pet Insurance.¹

Visits to the vet can be unpredictable and expensive. Pet parents spend over \$31.4 billion on vet care annually.² 24% of pet parents have gone into credit card or personal loan debt as a result.³

A small monthly payment can help you prepare for those unexpected vet expenses down the road.
