14. Options for completing Section 2 document verification:

   a. Many departments have staff who can meet with new employees in person to complete this step. Reach out to your hiring department to ask about it.
   b. Human Resources has offices in Evanston and Chicago. For location and hours see: [https://www.northwestern.edu/hr/about/askhr/index.html](https://www.northwestern.edu/hr/about/askhr/index.html)
   c. If you are unable to come to campus to complete the I-9 document verification step, there is a remote agent process that can be used. In this case, you will need to identify someone who can meet with you in person and that person will act as the authorized representative for the process.
